

52nd Annual Symposium on Diabetes for Healthcare Professionals
November 16, 2021
New Haven Lawn Club, New Haven CT 06511

Activity description: This full day symposium is a very popular educational activity for all healthcare professionals involved in diabetes care, education, and support. The speakers will offer information on a variety of topics regarding evidence-based diabetes prevention and treatment (lifestyle and pharmacologic) as well as impactful communication strategies. The teaching/learning strategies at this activity will include lectures, slides, case studies, question & answer interaction and handouts.

Target audience: This activity is designed for individuals or groups of diabetes care and education specialists including RNs, RDs, Pharmacists, Nurse Practitioners, Clinical Nurse Specialists, Physician Assistants, MDs, and other health care providers interested in staying up to date on current practices of care for people with diabetes and other related conditions.

Requirements for successful completion: For successful completion, participants are required to attend the full activity, and complete and submit the program evaluation at the conclusion of the educational event. Your Statement of Credit will be issued upon submission of the evaluation form. Pharmacists must provide their date of birth (MMDD) and NABP ePID to receive credit. Pharmacist learners who fail to provide this information will not receive credit for this activity. Please check your NABP profile within 45 days of this activity to make sure your credits were uploaded. Per the American Academy of Nurse Practitioners Certification Board, nurse practitioners are eligible to claim continuing education contact hours from ANCC

Disclosure and Mitigation of Relevant Conflicts of Interest: It is the policy of the Association of Diabetes Care & Education Specialists to require that anyone who has an opportunity to affect continuing education activity content with products or services from a commercial interest with which s/he has financial relationships, discloses those financial relationship/s with commercial entities to participants.

Accreditation:

In support of improving patient care, the Association of Diabetes Care & Education Specialists is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Certified Diabetes Care and Education Specialists: To satisfy the requirements for renewal of certification for the Certification Board for Diabetes Care and Education (CBDCE), continuing education activities must be diabetes related and approved by a provider on the CBDCE list of Approved Providers (www.ncbde.org). CBDCE does not approve continuing education. The Association of Diabetes Care & Education Specialists is on the CBDCE list of Approved Providers.

Other Health Professionals

It is the responsibility of each participant to determine if the program meets the criteria for re-licensure or recertification for their discipline.
